I am writing to you to advise on the Supported Living Tender conducted to secure services for adults with a learning disability.

Further to the last correspondence outlining the tender process, Cardiff Council are pleased to inform that you we have been able to secure providers who will offer high quality services to adults with a learning disability, in order for them to live independently in the community within their own homes.

Locality B – Innovate Trust

Locality C – Mirus Cymru.

Please see below the map of the City and wards in each locality.
